

diabolo

DESIGNED MARIO NISTAL

nistal.

Descripción / Description

Diabolo es un juguete con más de 4000 años de antigüedad, en esta luminaria hemos querido representar de forma simbólica sus tronco-conos para crear diferentes versiones. Usamos materiales y colores cálidos para iluminar ambientes acogedores.

Diabolo is a toy with more than 4000 years old, in this lamp we wanted to symbolically represent its trunk cones to create different versions. We use warm materials and colors to brighten cozy environments.

Materiales / Materials

Estructura de acero y madera de fresno.
Steel and ash wood structure.
