Descripción / Description

El cobre y el latón son unos de los primeros metales utilizados por es ser humano. En Cu & Brass buscamos la pureza de este dándole una forma orgánica, intentando plasmar el elemento en su momento de extracción y fusión.

Copper and brass are some of the first metals used by humans. In Cu & Brass we look for the purity of this giving an organic form, we try to represent the element at the moment of extraction and fusion.

Materiales / Materials

Estructura de cobre y latón.
Copper and brass structure.

Acabados / Finished

Cobre, Latón.
Copper, Brass.

Iluminación / Light

LINE:
STRIP RIGID LED TRIDONIC 26,2W 220V/50Hz
2700K, 3000K, 4000K
FLUX: 20746,4LM
EFFECTIVE LM/W: 104,8LM/W
50.000h

1 LIGHT:
1 X E27 Retrofit LED 15W MAX 220V/50HZ

2 LIGHT:
3 X E27 Retrofit LED 15W MAX 220V/50HZ

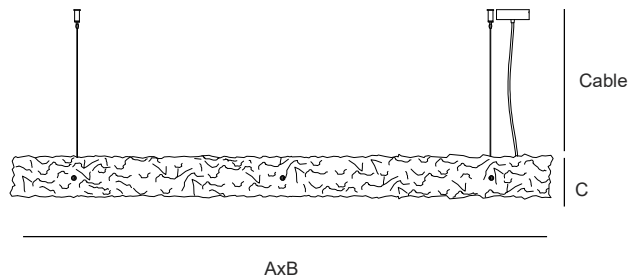

5 LIGHT:
5 X E27 Retrofit LED 15W MAX 220V/50HZ
